A tribute to excellence in higher education

Ontario college graduates are making an impact around the world.

The Premier's Awards for outstanding college graduates, now in its 31st year, is an annual event run by Colleges Ontario that celebrates our graduates' many successes in this province and throughout the world.

More than 100 graduates are nominated for a Premier's Award each year, which recognizes achievements in areas such as health care, science, technology and engineering, community services, the arts, business, and the skilled trades.

Award recipients in recent years have included Canada Goose president Carrie Baker, bestselling children's author and illustrator Jonathan Klassen, Guelph General Hospital president and CEO Marianne Walker, robotics weld programmer and trades influencer Melissa Phelan and auto technician and instructor Saifullah Sanaye.

Sponsorship of the Premier's Awards gala is a unique opportunity to showcase your organization in front of an audience of more than 800 leaders in business, education and government. The college sector alone represents the significant buying power of Ontario colleges – nearly \$6.4 billion in 2022-23.

This year's celebration provides an unparalleled platform to promote your commitment to higher education and to the colleges' pivotal role in creating a more prosperous and successful province.

To maximize the success of your investment, Colleges Ontario has developed several high-impact sponsorship packages to give you the visibility you need.

It is because of you that we are able to run an event of this calibre and magnitude. We thank our returning sponsors for their continued support and look forward to working with our new sponsors to ensure you get the best possible sponsorship experience.

See you on Monday, November 25, 2024, at the gala to celebrate our college graduates' many successes.

Sincerely,

Marketa Evans
President and CEO
